

A TAB Company **AMES, a TAB Company - Launches New E-Commerce Online Ordering Site**

AMES can help you to organize, access and manage your organization's critical information through integrated records management solutions. And now we've made it even easier! Check out our new Online ordering site – [www.amesfiling.com](http://www.amesfiling.com)! Find out how easy it is to order, review current pricing, and view our complete range of health care products to help with your filing challenges.

If you currently order online and have not signed up on the new site, you will need to do so before placing your first order. You can also call customer service for assistance at 1-800-343-2040.

The screenshots show the AMES Express Online Ordering website interface. The main page features a search bar, navigation menu, and a 'Welcome to our new AMES Express Online Ordering!' message. It includes a 'MEMBER LOGIN' section with fields for 'USERNAME' and 'PASSWORD', and a 'Sign Up for an Online Account Now!' button. The product categories include Health Care, File Folders, Pockets, Labels, Ink Devices, Accessories, Software, and Storage Systems. The product pages show various file folders and color/striped pockets.
